HONDA

THE NEW JAZZ RS: REDEFINING SPORTY.

Level up your style with the New Jazz RS. With edgier looks, it is now ready to step out into the limelight.

It is a fresh, new take on the concept of Road Sailing that inspires you to get in and drive. Sleek lines and grooves are punctuated by sporty accents, an inspiring sight that also promises an impressive drive.

RS Design Front Grille
The new face of sporty style starts with the New Jazz RS Front Grille, now with a more solid, imposing look.

RS Design Front Bumper with Carbon Accent
Sculpted with carbon accents to match, this redesigned front bumper gives the car a more aggressive appearance.

Rear Bumper
The New Jazz RS looks good from front to rear. The bumper is designed for that aerodynamic groove and feel.

Side Sill Garnish
Simple yet sleek, it accentuates the vehicle, making it look more low-slung and dynamic.

RS Design Tailgate Spoiler
This New Jazz RS is well designed to the last detail. Its spoiler blends well with the whole design giving a finish unlike any hatchback.

Gloss Black Door Mirrors with Integrated Side Turn Signal Lights
Distinguishes the car apart from the ordinary and caps off the overall sporty vibe of the New Jazz RS.

LED Headlights and LED Daytime Running Lights
Giving you the focus on the road are the new LED Daytime Running Lamps. Illumination technology designed ahead of its class.

16" Gloss Black Alloy Wheels
Be captivated by the 16" alloy wheels in gloss black paint.

Exclusive RS Emblem
Impress everyone on the road with the true mark of sporty style.

THE NEW JAZZ VX & V: THE ICON OF LIFESTYLE FLEXIBILITY

Taking form from the previous model, the New Jazz VX has some visual cues that lets you know it has evolved to match your lifestyle.

LED Daytime Running Lights (DRL)**

New LED DRLs gives the New Jazz VX a distinctive appearance and improved visibility on the road.

Door Mirror Integrated Side Turn Signal Lamps*

Lets other motorists know where you are headed at every turn.

16" Black & Silver Alloy Wheels*

Effortless style in motion.

New Rear Bumper

The avant-garde design surely leaves an impression.

LED High Mount Stop Lamp

Enhances safety and acts as an additional stopping precaution.

LED Tail Lamps

Eye-catching and ensures safety.

STYLED TO FIT

The New Jazz goes beyond style, as it is designed for utility. It provides space that is both inviting and flexible.

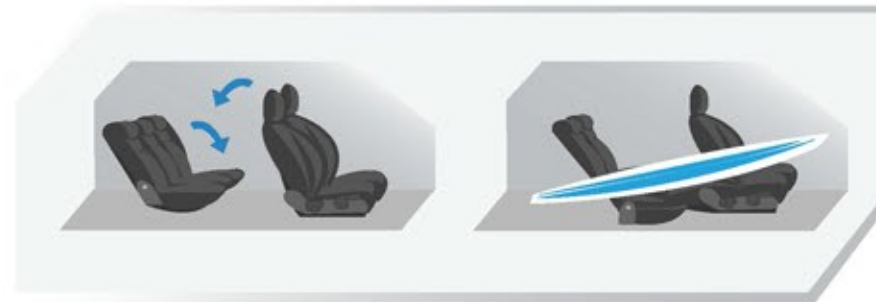

VERSATILITY IN STYLE & DESIGN

The New Jazz has the unique ability to fold here and there in order to fit the things you need to move around.

Utility Mode

Enjoy generous cargo space with the 2nd row stowed.

Long Mode

Fold down the 2nd seat back and recline the front passenger seat to haul even a surfboard!

Tall Mode

With a simple fold-up of a rear seat, you can load tall cargo.

Refresh Mode

Simply detach the headrest, recline the seat back, and you've got an instant mobile lounge!

A CAR THAT GIVES YOU SPACE

STYLED FOR POWER & EFFICIENCY

The Euro-4 compliant 1.5-Liter i-VTEC Engine provides you the power you need to do the things that matter to you and go to places you love.

EURO 4
CERTIFIED CLEAN EMISSION

Paddle Shifters**

Shift through gears with a click, for spirited driving.

ECON Button***

Make your drive even more efficient with the ECON Button, that activates ECON Mode: managing throttle output, transmission and even air-conditioning for better fuel economy.

ECO-Coaching Ambient Meter***

Know right away when you are cruising along efficiently, with a feature that informs you how you drive.

1.5 Liter i-VTEC Engine

Mated to the Earth Dreams Technology Continuously Variable Transmission (CVT), this potent engine provides ample power and notable fuel efficiency.

SAFETY IS A FIRST

For your peace of mind, the New Jazz takes occupant safety seriously. Travelling has never been this secure, be it a short urban jaunt or a long highway drive.

Driver and Front Passenger Airbags

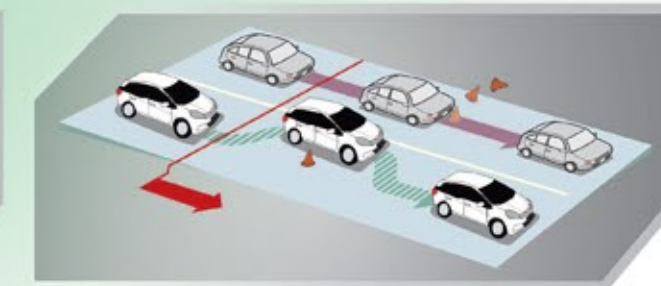

Be assured of a complete set of safety restraint systems for you and your passengers.

Side and Side Curtain Airbags*

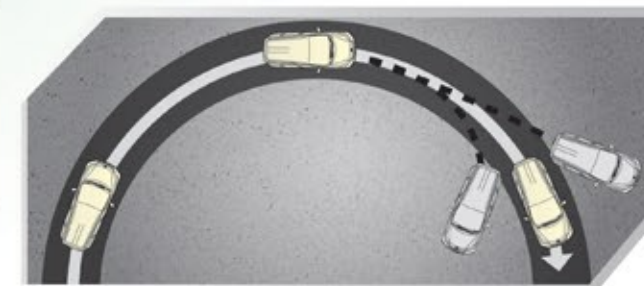

Hill Start Assist (HSA)**

Gives you added confidence on inclined roads, as you have more time switching your foot from the brake to the accelerator pedal.

Anti-Lock Brake System (ABS) with Electronic Brake Force Distribution (EBD)

Stay in control even in emergency situations. The New Jazz's ABS with EBD prevents your car from skidding even when you brake hard, giving you room to maneuver out of harm's way.

Vehicle Stability Assist (VSA)**

Vehicle Stability Assist (VSA) keeps the car in control during cornering and turns. It assists you in maintaining grip while accelerating on slippery surfaces by regulating power output and selectively applying brake pressure when necessary.

Multi-View Reverse Camera with Guidelines**

Provides visual aid to allow you to park properly and safely.
